

src/kernel/core/processloader.h

```
graph TD; A[src/kernel/core/processloader.h] --> B[processinterface.h]; A --> C[stdlib.h];
```

The diagram illustrates a header file dependency. At the top, a gray box contains the text 'src/kernel/core/processloader.h'. Two blue arrows originate from the bottom center of this box. The left arrow points to a white box labeled 'processinterface.h'. The right arrow points to a white box labeled 'stdlib.h'. The 'stdlib.h' box has a thin gray border, while the others have black borders.

processinterface.h
